**40th Anniversary Club Birthday Various: Message from DG Wayne F Morris**

President Ian and members of the Rotary Club of Kenmore, I congratulate you on achieving the milestone of the club's 40<sup>th</sup> Anniversary and encourage you all to continue the tremendous work that the club has carried out in your local community and also your international service. It is times like the present when community look for assistance and guidance from organizations such as Rotary and I am sure you will all continue to up hold the ideals of Rotary and ensure this great organization that we are all proud to belong to grows from strength to strength and MAKE DREAMS REAL. My apologies for not being able to celebrate this occasion with you and I am sure you will have an enjoyable night.

**A Rotary Grace**

We break thy bread in brotherhood,  
 And thank thee Lord for all things good,  
 May we more blessed than we deserve  
 Live less for self and more to serve

**THE FOUR-WAY TEST**

'Of the things we think, say or do'.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

**President's Notes**

---

Well, we had a very successful 40<sup>th</sup> Birthday Celebration last week. There have been numerous emails of congratulations and also I have had a number of verbal thanks conveyed to me. Paul McLaughlin and his team of helpers certainly did a wonderful job. One item I failed to mention at the time (I'm human) was the work done by Bill Waterfield and Ann on the preparing and arranging the printing of our 40years of Kenmore Rotary Booklet. This involved a lot of time and research by Bill. Many thanks for this valuable historic record of the Rotary Club of Kenmore.

I have information on a RAMS Dinner on 30<sup>th</sup> May, and a 3day/2 night Hollyford Track, NZ experience. Please contact me for more details.

**Rotary News: Ten-year-old raises money for polio eradication** - A lot of Rotarians could take a cue from one spunky 10-year-old from Eugene, Oregon, USA, who has raised a little more than \$1,640 for [Rotary's US\\$200 Million Challenge](#). Ian Schwartz, a fourth grader at St. Paul Parish School, decided to collect money for charity in lieu of gifts from friends for his birthday, in keeping with a family tradition. Ian's mother, Sherilyn, is a member of the Rotary Club of Eugene. When the February issue of *The Rotarian* arrived at their home, Ian was inspired by the illustrated "[Amazing Stories of Polio](#)" inside, and news of the [recent \\$255 million grant from the Bill & Melinda Gates Foundation](#). "He said to me, 'Mom, I can't raise \$255 million.' I told him, 'Yes, but every little bit helps,'" Sherilyn recalls. Ian began researching polio on the Internet and created a presentation for a school assembly. His classmates had a personal connection to the disease that they didn't even know about, Ian said: The school's music teacher had contracted polio as a child but fully recovered because of the care available to him in the United States. After setting up a booth in the lunchroom, Ian spent his lunch hour and recess collecting donations, raising \$284. His parents matched that amount, bringing his total to \$568. "We gave him the choice of receiving a PlayStation Portable from us for his birthday, or having us match his effort," says Sherilyn. "He opted for the match. Of course, we also bought him the PSP." Ian then took his fundraising effort to the Eugene club, where he shared the results of his research and his dedication to making a difference. With more than 200 club members in attendance, including Mike Fischnaller, governor of District 5110 (parts of Oregon and California), the Rotarians passed around the hat and raised more than \$900, bringing Ian's total contribution to Rotary's challenge to almost \$1,500. Because of his donation, Ian qualified to become a Paul Harris Fellow, and through the club's matching recognition points, he will also be able to choose two additional recipients to receive the
