Guest Speakers: Sabrina Barbara & Dr Michel de Paris “Flight Simulators”

Sabrina and Michel are Program Managers of the Air Crew Training Devices program at Australian Aerospace.

Simulators: a definition.

A combination of hardware and software that simulates something real. They are used to train people to carry out procedures and avoid error.

Types: * BTD Base Trainer Device
* Flight Navigation Procedure Trainer FNPT
* Full Flight Simulator – fully enclosed and moving like a real aircraft

Components:

- Dome
- Cabin – replicates aircraft
- Cockpit
- Motion Platform –“6 degrees of freedom” motion system
- Audio System
- Visual views – what pilots see out of the “aircraft”
 - simulated pictures A video showing what’s inside the simulator was shown.

A Rotary Grace

We break thee bread in brotherhood,
And thank thee Lord for all things good,
May we more blessed than we deserve
Live less for self and more to serve

THE FOUR-WAY TEST

‘Of the things we think, say or do’.

1. Is it the truth?
 2. Is it fair to all concerned?
 3. Will it build good will and better friendships?
 4. Will it be beneficial to all concerned?
-

30 th - 31 st May 2009	Cootha Classic Car Rally	Michael Fitzgerald/Jack Rynn
15 th May 2009	The Thirty Steps – Twelfth Night Theatre	Joan Moloney

President's Notes

The Club has a very busy period coming up. We have two key, (and final for this Rotary year), fund raising events, the Brookfield Show and the Cootha Classic. Jack and Michael are well organised for these events and they need your full support. As well there is the District Assembly, Rotary Peace Fellows Seminar, SPACE BBQ, and the Red Shield appeal. After this period June will return to normal!

Paul McLaughlin is now distributing the Club Photo. We have not had one for some time so this is an important memento of your Rotary involvement. The cost of \$20 per photo is based on cost recovery, and the assumption that all members will purchase the photo at \$20. Please arrange with Paul for collection.

President Ian Cameron:

- Success of 40th Anniversary dinner – thanked Paul McLaughlin and his committee
- Congratulated Bill and Ann Waterfield for the 40 Years History of RCK book
- Passing of former members Ron Brady and David Stewart
- Board Meeting Monday 11 May at President's home
- District Changeover 13 June
- Nominations for District awards called for
- RAMS dinner 13 May
- NZ walking holiday info if interested
- Hale St Link info on tables

Spots:

- Michael Fitzgerald – Brookfield Show arrangements—members asked to work an extra shift if able
- Jack Rynn --- roster for Brookfield Show – 2 extra gates to man—
~~wristbands to be worn by all personnel~~

Sergeant: Fitzgerald & Weller [standing in]

- Self funded retirees
 - All employees – give small business a break
 - Royce Allan – named his bull Michael
-

Kenmore Rotary News: Husband, wife team aim to end poverty

Noting that “world peace can only come when there is no poverty,” Frank and Kathleen Mayhew of the Rotary Club of Sebastopol, California, USA, urge Rotarians to take a new direction to end poverty.

To do that, the husband-and-wife team proposes their “[Adopt a Village](#)” model. Here’s how it works: A Rotary club in a developing country selects a village, assesses its needs, and designs a project with health, food production, and education components. (Clean water and malaria prevention elements are required under the health heading if they are problems in the village.) A partner club adopts the village, addressing all three issues at once. Projects usually cost about US \$30,000; some have been completed through Matching Grants from The Rotary Foundation. Villages in Kenya, Nigeria, the Philippines, and Uganda have participated with support from partner clubs in Canada, England, and the United States. The Mayhews, who have given presentations at several North American clubs, currently act as matchmakers, but they encourage clubs with good working relationships to take the concept and run with it.

“While Rotary has had 3-H grants, which are huge grants, nobody has really looked at the multielement grant. It kind of comes as a surprise to people,” says Frank Mayhew, who chairs the grants subcommittee for District 5130. “It does make sense.”

Member Profile: Paul McLaughlin Classification - Primary Education - Born in Gladstone Qld 1950. During my 36 year teaching career, I served in several regions of Queensland and held the positions of Senior Teacher, Deputy Principal and Principal. I spent ten years in rural schools including 3 one-teacher schools. Most recently I taught for twelve years at Chapel Hill State School where I retired in 2005. These days I engage in various part-time jobs. I am married to Mary-Anne, who is an English teacher working with Adult Migrants, and we have two sons. Tom is in first year at UQ doing a Bachelor of Arts and Joe Year 11 at Brisbane Grammar School. When their schooling is completed I am looking forward to some overseas travel. I enjoy sports, particularly cricket and rugby league, and spend most of my spare time supporting my boys in their many sports and music endeavours. Other interests include music, reading, meditation and landscape gardening. I try to keep fit & I have completed 6 half-marathons in the past twenty years. I served as Kenmore President in 2003-04 & became a Paul Harris Fellow in 2006.

May Birthdays

 Tim Harbutt 15th May

May Anniversaries

Tim & Sue Harbutt 17th May 1961
 Ted & Kerri Horsbrugh 15th May 2004

Tony & Judy Prout 12th May 1962

Winston Churchill Quote of the Week

A man does what he must - in spite of personal consequences, in spite of obstacles and dangers and pressures - and that is the basis of all human morality.
