

ROTARY INTERNATIONAL

The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

ROTARY GRACE

We break thy bread in brotherhood
And thank thee Lord for all things good.
May we more blessed than we deserve
Live less for self and more to serve

JOTTINGS FROM JENNY

Greetings from CDC (Centre for Disease Control) Atlanta where we are midway through the training of 64 volunteers who will go to 23 countries to assist with the polio eradication and routine immunization programs for the next 3 months. It is a really incredible group and I am enjoying it, although I have a lot on my plate.

Kenmore RC will feature here with the CDC leaders on Friday, as I have invited one of the RI Directors down to make a presentation about Rotary's involvement in polio eradication and to present two long term polio leaders with Paul Harris Fellowships. They certainly deserve more than this, but it is one way of recognizing them and bringing all four partners together which is what we are about.....team work.

I will try to get some publicity in the international circles about this event. Already we have Chairman of Polio Plus, Bob Scott's endorsement for this. He is excited about it, so Kenmore will get a mention here.

As yet I am unsure where I will be spending the next 3 months. I hope to know by the end of the week as I am due to travel by 7 February. It does not matter to me.....wherever I get placed will be OK

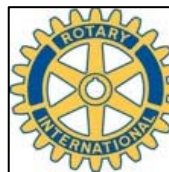

Thanks for all your support
Jenny Horton

Postscript- For the benefit of our new members Jenny, a member of this Club is a primary, hands on participant in the program having located in Nigeria, Pakistan, India, Botswana and Ethiopia just to name a few countries

Quote of the Week:

A democracy is a country in which everybody has an equal right to feel superior to the other fellow

President's Notes

Last week was busy what with another successful and enjoyable Australia Day Citizenship Ceremony followed by formally accepting five new friends, with the assistance of the District Governor.

We now move into February assigned by RI as World Understanding Month. I suggest there is a fair bit of understanding missing in the world today and so for each meeting this month there is an international emphasis from our Guest Speakers.

Our five new friends?. They are waiting for you to speak to them and hear about what we do in RC Kenmore.

Last Week's Meeting— 27 January, 2010
