## President's Notes

Last week we heard from Isabella Benfer. The young lady, Grade 11 at Stuartholme, was full of enthusiasm and appreciation for the opportunity to attend the National Youth Science Forum in Perth, and her address confirmed the Club's confidence in selecting Isabella.

Welcome to this evening's programme, a highlight of the year for RC Kenmore, when along with our sister Clubs we meet and hear from three of this year's Ambassadorial Scholars and two Peace Fellows.

...and in closing, They say the sun shines on the righteous, but Saturday we must have had a bunch of sinners at the DIK store packing containers for Rabaul and Honiara as they certainly got their feet wet when the heavens opened up!. To them I say, 'Thanks, hope you enjoyed the experience'.
