The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

ROTARY GRACE

We break thy bread in brotherhood
And thank thee Lord for all things good.
May we more blessed than we deserve
Live less for self and more to serve

PRESIDENT BILL WITH OUR IN-HOUSE GUEST SPEAKERS

Once again we were privileged to hear from two of our own members on their "life and times". We are all so lucky.

'Any ship can be a minesweeper. Once.'
- Naval Ops Manual -

'Never tell the Platoon Sergeant you have nothing to do.'
- Unknown Infantry Recruit-

'If you see a bomb technician running, try to keep up to him.'
- Infantry Journal-

EXCERPT FROM KENMORE HIGH SCHOOL EMAIL RE RYDA PROGRAM

"Thank you very much for the opportunity for our students to be involved in the program. From all reports it was an exceptional learning experience and the students learnt some very valuable lessons. From the feedback, the students seemed to get a lot out of the insurance and cost coverage talk and were shocked by the stories that the police told them. It seems to have really opened their eyes up to the world of driving and will hopefully give them a greater deal of knowledge to take more care whilst on the road. One of the teachers attending said that the day was very well structured, the presenters were great and that the students were engaged and very well behaved.

One of our students has done a video presentation that we will show on our next year level assembly which isn't until the 28th of April. I'm not sure whether you are interested in gaining individual student feedback at this assembly as it is a long time between the course and the assembly, however, you are more than welcome to come along. Otherwise I believe that teachers are going to gather some feedback that I can forward to you."
