President's Notes

In my absence this week I hope one or more members that attended the District Conference will go to the lectern and, with enthusiasm, tell those that did not attend what a great event they missed, and how sorry we are that they were not there. Good guest speakers, good venue and tons of good fellowship. Mark your calendar for next year!

I am on family business in NZ for the next two weeks and you will be in PE Joan's hands for the next two meetings. Behave yourselves and if Joan says jump, you jump.
