

# ROTARY INTERNATIONAL

## The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL  
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

## ROTARY GRACE

We break thy bread in brotherhood  
And thank thee Lord for all things good.  
May we more blessed than we deserve  
Live less for self and more to serve

## LATE MAIL FROM THE CONFERENCE'

Thank goodness we have "PAST" the 60's

Kerstin appears to have taken up the 60's theme with gusto. Oh! to be young.

## A LITTLE LIGHT RELIEF

A pirate walked into a bar, and the bartender said, "Hey, I haven't seen you in a while. What happened? You look terrible"

"What do you mean?" said the pirate, "I feel fine."

"What about the wooden leg? You didn't have that before."

"Well," said the pirate, "We were in a battle, and I got hit with a cannon ball, but I'm fine now."

The bartender replied, "Well, OK, but what about that hook? What happened to your hand?"

The pirate explained, "We were in another battle. I boarded a ship and got into a sword fight. My hand was cut off. I got fitted with a hook but I'm fine, really."

"What about that eye patch?"

"Oh," said the pirate, "One day we were at sea, and a flock of birds flew over. I looked up, and one of them pooped in my eye."

"You're kidding," said the bartender. "You couldn't lose an eye just from a little bird poo"  
"It was my first day with the hook."

## Quote of the Week:

Many people have a photographic mind.....too bad they never had it developed

## President Elect Joan's Notes

Happy Easter. I hope the break has been a relaxing time for you and your family.

On Wednesday last, Members and guests enjoyed a visit to the Australia Post Northgate Mail Centre, arranged by Kerrie Horsbrugh. We were welcomed by staff, and given a tour of the operation - a combination of high-tech machinery and 24 hour staffing by 300 employees.

Next week's talk will look at the controversial topic of climate change - an opportunity to hear the debate outlined.

### LAST WEEK'S SPEAKER

As last week's meeting was a vocational visit to the Australia Post Northgate Mail Centre there was no Guest Speaker. The visit was extremely enlightening in understanding the complexity and mechanisation used from posting your letter in the mail box to the delivery of it whether in Australia or overseas. Thanks to Geoff Haigh here are a couple of photos of some of the key equipment.

An indicator of the number of envelopes processed in a given hour. The machine travels faster than the eye can follow an envelope

This is the special section for your mail if you forget to write the postcode on your envelope or package. The machine photographs the address and identifies the correct postcode

## SPOTS:

As a consequence of the Vocational Visit there were no Spots from directors or members.

There are a few important reminders though:

- April 25– Anzac Day morning tea—Members and Partners will be required to provide morning tea to the veterans and community attending the Kenmore Anzac Day March.
- May 14-16 Brookfield Show—We have the green light to manage the parking again this year and will need help from Partners and friends where possible
- May 29-30 Coo-tha Classic—We will again be managing the entrances this year but will also be operating a sausage sizzle so there is a requirement for “all hands to the wheel”.

A few social shots from the Vocational visit to Australia Post.

A happy coach load

A little socialising at the “Local” English Pub . Pity President Bill was not there
