

# ROTARY INTERNATIONAL

## The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL  
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

## ROTARY GRACE

We break thy bread in brotherhood  
And thank thee Lord for all things good.  
May we more blessed than we deserve  
Live less for self and more to serve

## THAT'S MY BUSINESS/HOLIDAY

**President Bill:** Spoke about his recent trip to New Zealand with his England based brother. The trip was quite eventful including a visit to the Bay of Islands and 4 days in Rotorua. Unfortunately the stay was severely disrupted when the local youth torched their hire car. This resulted in a messed up few days before having to return to Australia.

**Ian Nave:** Spoke about his holidays to the Galapagos Islands, South America and Cuba.

The Galapagos Islands are an archipelago on the equator in the Pacific Ocean. It belongs to Ecuador.

It has a small population of 8,000 but has a unique species of animal life.. It is 90% National Park.

**John Smith:** John has spent several weeks recently as Master of a ship working the Manta Oil Field off the Victorian coast. Oil recovery from the field is very complex and difficult.

John also afforded some thoughts on the recent grounding of the Chinese Coal Carrier on the Great Barrier Reef. He explained the detailed processes that shipping should undertake but which in this case they appear to have not followed.

## President's Notes

I am not suggesting that the Club workload has been 'relaxed' over the past few months, but I must remind you that the next two months will be full on. We can look forward to ANZAC Day, the Brookfield Show, the Cootha Classic and the Club Birthday Party where there are work opportunities for all. Add to that the District activities in April and May include President Elect's training for Joan, the District Assembly where we all can recharge our Rotary batteries, a Rotarians Against Malaria conference, a RAWCS (Rotary Australia World Community Service Northern Region) meeting and meet the Peace Fellows at the U of Q. Things slow a little in June when we have time to tidy the paperwork prior to the Changeover evening 30 June.
