President's Notes

That was quite a celebration of 41 years of the Rotary Club of Kenmore! With many thanks to the Music Man, Ray, who made the evening happen. I'm told names are being taken already for next year's Birthday celebration.

This week's meeting will be a little different with an open forum on RC Kenmore and/or Rotary in general. There will be no prompting from the Board other than to answer your questions, to accept/consider your comments and to clarify whatever in Rotary may be puzzling you. With no questions it could be an early meeting, but if it goes the way I would like to see it the discussions will continue after the meeting in the car park.
