

ROTARY INTERNATIONAL

The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

ROTARY GRACE

We break thy bread in brotherhood
And thank thee Lord for all things good.
May we more blessed than we deserve
Live less for self and more to serve

PRESENTATION AT THE WESLEY

Members will remember that President Bill made a presentation to Ray Crompton of bonnets and booties for newborn premi babies. These had all been knitted by Ann Waterfield. What a great effort and certainly appreciated by the hospital

MEMORIAL NOTICE MARTIN PYECROFT

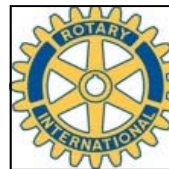

For members who may have missed the notice in the Courier Mail last week, Martin's wife sent special thanks to everyone who sent cards to her and the family on the death of Martin last year in Tasmania..

ZEN TEACHINGS

- Always remember you're unique. Just like everyone else.
- Never test the depth of the water with both feet.
- If you think nobody cares whether you're alive or dead, try missing a couple of mortgage payments.
- Before you criticise someone, you should walk a mile in their shoes. That way, when you criticise them, you're a mile away and you have their shoes.
- If at first you don't succeed, skydiving is not for you.
- Give a man a fish and he will eat for a day. Teach him how to fish, and he will sit in a boat and drink beer all day.
- If you lend someone £20 and never see that person again, it was probably well worth it.
- If you tell the truth you do not have to remember anything.
- Some days you are the dog, some days you are the tree.
- Don't worry; it only seems kinky the first time.
- A closed mouth gathers no foot.
- There are two excellent theories for arguing with women. Neither one works

Quote of the Week:

Can you remember when movies used to boast of being in technicolor instead of off-colour

President's Notes

The Member Profile evenings are always interesting where we see how others have made their way through life and last week was no different. Time flies, and it is hard to accept that Kirsten's year with us is over and tonight is her last visit to the Club when we will hear how the year in Australia went for her as she returns home to Germany. This is also the last Club meeting for the Rotary Year with the Change-over to follow on 30 June, as I said time flies.
