

ROTARY INTERNATIONAL

The Four Way Test

'Of the things we think, say or do'.

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it Build GOODWILL
And better FRIENDSHIPS
4. Will it be BENEFICIAL to all

ROTARY GRACE

We break thy bread in brotherhood
And thank thee Lord for all things good.
May we more blessed than we deserve
Live less for self and more to serve

A young engineer was leaving the office at 3.45 p.m. when he found the Acting CEO standing in front of a shredder with a piece of paper in his hand.

"Listen," said the Acting CEO, "this is a very sensitive and important document, and my secretary is not here. Can you make this thing work?"

"Certainly," said the young engineer. He turned the machine on, inserted the paper, and pressed the start button.

"Excellent, excellent!" said the Acting CEO as his paper disappeared inside the machine, "I just need one copy."

Lesson: Never, ever assume that your boss knows what he's doing.

I contend that for a nation to try to tax itself into prosperity is like a man standing in a bucket and trying to lift himself up by the handle -Winston Churchill

A few Words from Past President Bill

Thanks to Michael Price for the introduction at our last meeting to his work on the Club Website. A website can go on forever as there is so much Rotary Information available and it is as well to understand what the site offers and where to begin. I suggest a very useful page will be the members details, which will do away with printed handouts each time there is an addition or a change. With no meeting due to the Ekka holiday there has been plenty of time to 'check it out'. Michael would be happy to hear your thoughts on the site.
